Gelato and I are siblings We're just a few months apart

We entered school in the same year

Wahaha! I'm so proud of my kids! Work hard on your studies, alright?!
Wahaha hahaha
Aye-aye, Captain!
Aye-aye, Captain!
Maybe that's why our parents work extra hard to earn more money—

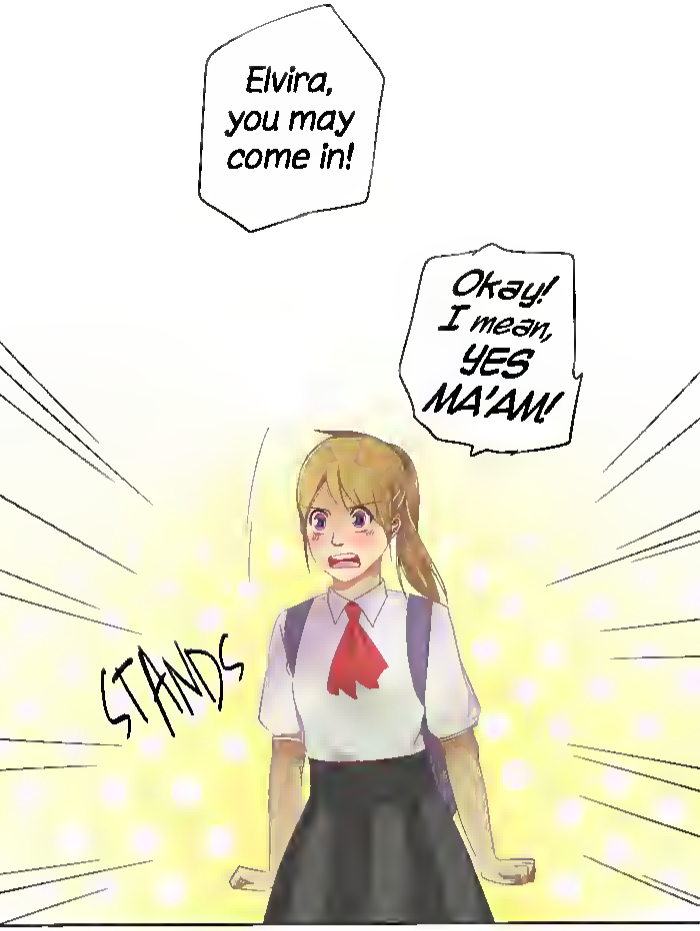
That's a bad habit...
eavesdropping on our parents conversations
Uh...

And remember what daddy just said...?
Our responsibility is to study, and the expenses are theirs.
hahmp

Yes, I understand...

But it feels like...



Elvira, you may come in!
Okay! I mean, YES MA'AM!

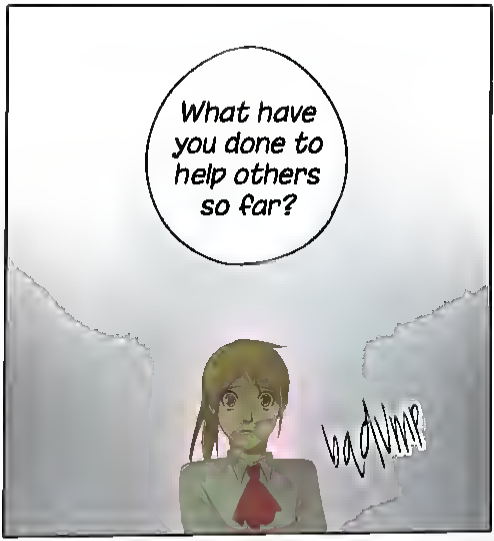
A middle schooler?
Is that your kid?

Alright. This will be brief.
Our decision will be based on your answer to this one question.
Please tell us...
SITS



What have you done to help others so far?
badum

Gelato!
Is it true that you'll go to culinary high school?!
Don't you know how to knock?
step
TL/N: As the name suggests Sekolah Menengah Kejuruan type of secondary school that focuses on skills more than academic studies. The graduates can seek for a job immediately after. Usually not the choice of high school for students who want to go to university
Yea.
What? But you said you wanted to be a journalist. why'd you suddenly change your mind?
Hmm... is someone you like going to that school?

After I graduate from that school I can start working to help our parents pay for your hospital bills.
badump

We were always together, but we eventually had to go on different paths.
I'm a burden to my parents and I crushed Gelato's dream...

That-
I...

...I've never helped anyone.

Hmm?
Youre so honest, aren't you?

TL/N: I HATE HIM

I advise you to look for another company.
